Putting the FUN in FUNDRAISING

Visit our website:
www.fundraising-info.co.nz

Welcome,

Individual options for fundraising are now available, those who only wish to select either of these options, as your fundraiser can do so rather than the full fundraiser. These offer excellent value, and are good alternatives to the full range available on the main forms. You can do as many or as little of the options as you like. You can even make your own combinations. Please do not do a full fundraiser and one of the options at the same time as this will cause problems for us with production. If you have any questions then please ring. Also let us know if you're doing a fundraiser so that we can put it on our calendar to prevent any delays in your order.
